WORK EXPERIENCE

Teaching Assistant (CS 3114, Data Structures and Algorithms)
Virginia Tech, Spring 2017

- Regularly host office hours to help students with programming projects and homework
- Focus on topics like File I/O, Binary Search Trees, Hashing, prQuad Trees, and Algorithm Analysis

Undergraduate Researcher (Human Computer Interaction)
Virginia Tech, Fall 2016

- Worked on implementing multi-user display interfaces with the Microsoft Perceptive Pixel
- Primarily used C# to import csv files, and used D3.js to display interactive parallel coordinate graphs of the data.

Software Engineering Intern
Microsoft, Redmond WA, Summer 2016

- *OneDrive/Sharepoint eXperience and Platform Team*
- Working to create UI to allow admins to render links that have been shared and execute administrative actions
- Used C#, ASP.NET, Javascript, CAML queries

Explorer Intern
Microsoft, Redmond WA, Summer 2015 *(Office Engineering Team)*

- Spoke with customers to research potential ideas that improve employees' efficiency in resolving failures.
- Utilized SQL, C#, Javascript and HTML to retrieve call stacks, result logs, and failure information from databases and presented them to developers.

ACM-ICPC (Intercollegiate Programming Contest Team)
Virginia Tech, Fall 2014 – Present

- Utilize Java and high-level data structures to solve various programming/logic problems.
- Competed and placed 37 out of 184 teams in Mid-Atlantic Regional Contest at Radford University.

Digital Content Part-Time Developer
Modea Digital Consultancy, September 2014 – December 2014

- Developed web applications using XML and Photoshop to create mobile simulators and emulators.

Software Intern for Namespace Mandate Demos, *Axone SA*, Geneva, Switzerland – Summer 2014

- Worked overseas to improve web user interface of the "Lexical Research Tool" for the city of Paris.
- Utilized PHP and SQL to create search bars, table displays, and word clouds for domain-name data.

AWARDS

University Honors Academic Merit Scholarship, Spring 2016
Microsoft Scholarship Award Recipient, Spring 2015 & 2016
Google Grace Hopper Travel Grant Recipient, Fall 2015
Computer Science Resources Consortium Scholarship, Virginia Tech, Fall 2014
Dean's List/Dean's List with Distinction – Virginia Tech, Spring 2013 – Present

EDUCATION

Virginia Tech – Blacksburg, VA *September 2013 - May 2017*
B.S, Computer Science with Honors
Minor in Industrial Design **GPA - 3.73**

Coursework: Human-Computer Interaction Capstone, Comparative Languages, Computer Systems, Data Structures and Algorithms, Computer Organization II, Mobile Software Development (iOS), Human-Computer Interaction, Statistics for Electrical Engineers, Combinatorics, ACM-ICPC Programming Team

University of Edinburgh – Edinburgh, Scotland *Spring 2016*
Visiting Student in the College of Informatics

Coursework: Computer Security, Theoretical Computer Science, Natural Language Processing

PROJECTS

Park Painter, StudentHack IV, Manchester Metropolitan University UK, Spring 2016

- Used Swift, Python, to create "geo-caching" iOS application used for creating & exploring art in local parks
- Winner of "Best Use of the Yelp API" – https://devpost.com/software/park-painter

NCWITconnect - Qualcomm EmpowHERment Summit Hackathon**,** San Diego CA, Summer 2015

- Utilized Facebook APIs and web languages to create an extended social network for NCWIT

Walking Map of Virginia Tech, BecomeAlum Inc., Blacksburg VA, May 2014 – December 2014

- Utilized Google Maps API and Javascript to calculate walking/biking times using GPS technology.
- Designed and created all layout, icons, and advertisements

COMPUTER SKILLS

Languages: Java, C, C#, HTML, CSS, Python, SQL, Javascript, JQuery, XML, PHP, Swift, AJAX

Technologies: Adobe Photoshop, Amazon Web Services, Visual Studio, Linux, XCode 8, Apache Cordova

LEADERSHIP EXPERIENCE

Vice-President New Member Educator, Vice-President of Service, Public Relations Officer & Historian, alpha Kappa Delta Phi Sorority, Virginia Tech Associate Chapter, Spring 2015-Present
Computer Science Ambassador, Virginia Tech, Fall 2015-Present
Computer Science/ECE Department Female Mentor, Spring 2015
Task Force Officer, Society of Asian Scientists & Engineers
